

CHURCH PLANTS AND OUTREACH

We currently have two church plants in the Opi-Nsukka area, including an Igbo-speaking church and an English-speaking church. Along with the preaching of the Gospel and discipleship through these two churches, we have a Primary School with 130 children enrolled. Ninety of the children who attend Cornerstone Christian Academy are from the village community of Opi.

We are celebrating salvation through believers baptism on a Sunday morning at Cornerstone Church.

These are some of the village children who hear the truth of the gospel that attend Cornerstone Christian Academy.

Karen is teaching the Pre-K Class how to rinse after brushing their teeth at Cornerstone Christian Academy.

Truly, I say to you, as you did it to one of the least of these my brothers, you did it to me.
Matthew 25:40

We are always asked, "what is your greatest need?" The answer is those who will stand beside us monthly basis. There is no gift that is too small or too large. So pray about it, and seek God's will in making a commitment to stand beside us for one year. Then, let's step back and see how God used you to make a difference in Nigeria with the Troups.

Hope for the orphans of Nigeria...

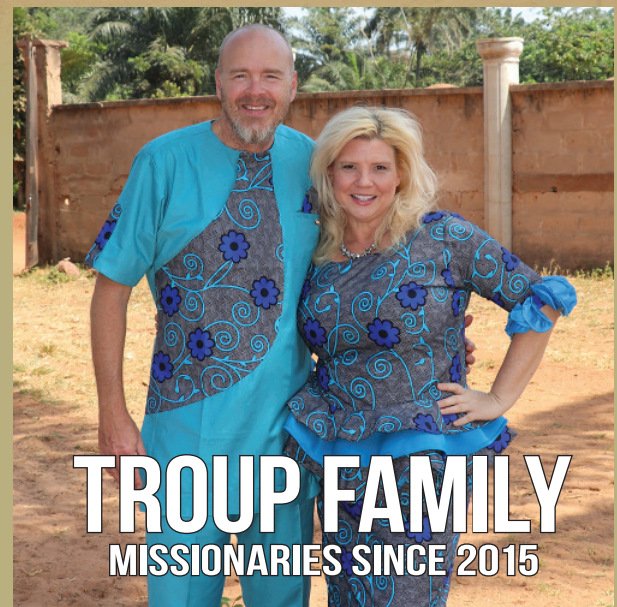

NIGERIA IS THE LARGEST NATION ON THE PLANET **7TH**

ORPHANED AND VULNERABLE CHILDREN IN NIGERIA **8** MILLION

CHILDREN WHO ARE ORPHANED BECAUSE OF THE AIDS VIRUS **2.4** MILLION

The hope of Jesus Christ is displayed daily through A Place of Hope Africa Orphan and Child Rescue in Opi-Nsukka, Nigeria. God has entrusted us to care for these children who have come from all over the nation of Nigeria. The reasons they come are different, but our response is the same; love them with the love of Jesus Christ and "Train up a child in the way he should go; even when he is old, he will not depart from it." (Proverbs 22:6)

Our children are provided with a safe place to stay, a quality education, nourishing meals, and best of all, they hear and see the love of Jesus Christ every day!
